

SHARE's international quality and safety in healthcare seminar

"Learning across countries and sectors"

Host: SHARE Centre for Resilience in Healthcare, University of Stavanger

Date: 24th august, 2022

Time: 0900 - 1500

Place: Ydalir Campus Hotel

Telegrafdirektør Heftyes vei 99, 4021 Stavanger <https://goo.gl/maps/zpX2c4SPJYv>

Program		
09.00-09.35	Welcome The Future of Healthcare to 2030: Implications for Norway	Jeffrey Braithwaite , Professor, founding Director, Australian Institute of Health Innovation, Australia/Professor II SHARE, and Siri Wiig , Professor, Centre Director of SHARE, Norway
09.35-10.00	The Safe care Study: Safety of Healthcare in the inpatient setting in the U.S	David Bates , Professor, Harvard Medical School, USA/Professor II SHARE
10.00-10.25	Safety-2 in action: a paradigmatic challenge	Jessica Mesman , Associate Professor, Maastricht University in the Netherlands
10.25-10.45	Coffee break	
10.45-11.05	Co-design, evaluate and scale resilience, quality, and safety in complex dynamic systems.	Elizabeth Austin , Postdoctoral Researcher at Macquarie University, Australia
11.05-11.30	Making sense of cyber resilience in critical infrastructures	Tor Olav Grøtan , Senior Research Scientist, SINTEF, Norway
11.30-12.30	Lunch	
12.30-12.55	The nature and need for slack in health services	Tarcisio Abreu Sauri , Associate Professor, Universidade Federal do Rio Grande do Sul, Brazil
12.55-13.20	Implementation of a state-wide value-based care program in Australia: learnings from a realist study.	Janet Long , Senior Research Fellow, Australian Institute of Health Innovation, Centre for Healthcare Resilience and Implementation Science, Australia
13.20-13.45	Does double-checking medications in paediatrics make things safer?	Joanna Westbrook , Professor, Director of the Centre for Health Systems and Safety Research, Australian Institute of Health Innovation, Australia
13.45-14.00	Coffee break	
14.00-14.25	A complexity science approach to why patient safety investigations are not achieving their aim of reducing harm	Peter Hibbert , Associate Professor, Australian Institute of Health Innovation, Centre for Healthcare Resilience and Implementation Science, Australia
14.25-15.00	Open session – panel discussions
